

2021

Since it was a pandemic situation and the same situation continued for longer we don't want keep the students idle. As the proverb says "Idle mind is devil workshop". We helped the students in occupying them with worth webinar, classes and quizzes.

So we organized National webinar on 17.06.2021 titled "Linux Administrator and AWS". The resource person was Mr.K.R.Venkatesan,B.E.,System Analyst, DXC Technology, Bangalore.

Under the guidance of the college administration team organized for the betterment of student's community for all around of our college in Tiruvannamalai Dt. 145 students and 10 faculties participated in this National webinar which was free of registration.

The participants were able to strengthen their knowledge on;

- How to work in Linux using and its command practically.
- AWS working principles and cloud storage.
- As an administrator how to maintain and develop the computers by using Linux as their OS.
- How to define access and rights of the users.
- How to handle and responds to system alerts and if any issues reported by the customers.

At the end of this webinar time was given to all the participants for clarifying their doubts. This was done by the facilitator in a satisfactory manner. A word of appreciation was given to everyone by our college principal through this webinar.

The poster is for a webinar organized by Idhaya College for Women. It features a green and pink color scheme. At the top, it says 'IDHAYA COLLEGE FOR WOMEN (Run by Immaculate Sisters)'. Below that, it mentions 'Department of Computer Application'. The main title of the webinar is 'Linux Administrator & AWS'. The resource person is listed as 'Mr. K. R. VENKATESA, B. E System Analyst DXC Technology Bangalore'. The date and time are 'Date: 17.06.2021 & Thursday TIME: 5PM-6PM'. The poster also lists the staff: 'Rev. Sr. Julia Violet Secretary', 'Rev. Dr. Sara Jasmine Principal', and 'Sr. Preemrose HOD'. It states 'Free Registration E-Certificate will be provided'. At the bottom, there are four icons with text: 'WEAR MASK', 'KEEP DISTANCE', 'VACCINATE YOUR FAMILY', and 'STAY HOME STAY SAFE'.

INTERNATIONAL WEBINAR:

We the department of computer application staff members has planned to organize an International Webinar on 26.06.2021 titled “Orientation on windows relations with LDAP”. The webinar was facilitated by the resourceful person Mr.P.B.Vijayaragavan.,M.E. he was potential enough and also filled with more knowledge as he had collaboration of Texas, United States of America.

The meeting was organized through Google Meet for an hour. More than 100 students participated and benefited. It was worth enough to organize this meet since the title was fit enough according to the needs of the time.

He explained well the following;

- How to create new user in LDAP.
- Guidelines for creating LDAP based user entities.
- CREATE Domain Name System(DNS) using LDAP.

At the end of this webinar time was given to all the participants for clarification. It was done by the facilitator in a satisfactory manner. A word of appreciation was given to everyone by our college principal through this webinar.

The poster is for an international webinar organized by the Department of Computer Applications at Idhaya College for Women. It features a dark blue background with gold and white text. At the top center is a logo of a golden pot on a base. Below it, the college name and address are listed. The webinar title is in red and white, followed by the resource person's name and details. A photo of Mr. P.B. Vijayaragavan is shown. The meeting date and time are specified. At the bottom, the names and roles of the organizing staff are listed, along with registration and certificate information. A 'Stay Home Save Lives' slogan is at the bottom right, and a row of icons (mask, social distancing, hand hygiene, and a house) is at the bottom left.
