

**IDHAYA COLLEGE OF ARTS & SCIENCE FOR WOMEN
PUDUPALAYAM
DEPARTMENT OF MICROBIOLOGY
OUTREACH PROGRAMME
2023-2024**

On 5th August 2023 ,the department staff members along with all the III year students went to Pudurchengam for outreach programme. The topic was **“AWARENESS ON DIABETES”**.

Mrs. Rajeswari, HOD has explained about the Diabetes, causes, symptoms, diagnosis, complication and treatment also she explained the types of diabetes clearly to the people. The students also resolve their doubts and gave them clear vision about the diabetes control measures. It was amazing experience to the students and also the people. The village people gained knowledge about the diabetes.
