

OUTREACH

OUTREACH-I

On 08.08.2019, Outreach programmer was conducted by PHYSICS department, with the help of PHYSICS students from 2nd and 3rd year accompanied by a faculty member Miss.Latha, Asst.prof of PHYSICS. The objective of this event was to create good science knowledge into our bright young minds. This one day program was very useful in terms of sharing the knowledge to the students.

Totally 10PHYSICS students from **Kanji, Unnamalaipalayam, Karapattu**. Our department students took classes for them. The participant's names are,

1. S. Kavitha – VIstd
2. A. Anitha – VI std
3. K. Radha – VI std
4. S.Sudha – VII std
5. A.Amutha – VII std
6. R.Latha – VII std
7. A.Anandhi – VII std
8. S.BabyShalini – VII std
9. S.Sarumathi – VII std
10. A.Deepa – VII std

The student's team divided their class into two sessions. In first session dealt with orientation about BASIC PHYSICS In the second session implemented the above operation. The student's teams and lecturers were happy with the initiation of our students. The school students also felt happy and shared their good feedback.

OUTREACH -2

On 14.12.2019 Outreach programme was conducted by PHYSICS department and it was carried out with the help of our final years accompanied by Mrs.Abirami and Ms.Latha. of PHYSICS. The objective of this event was to create better understanding about physics to the students from **Kanji, Unnamalaipalayam, Karapattu**. The participants are,

1. E. Kaviya – VI std
2. A. Amutha – VI std
3. P. Rani – VI std
4. V.Sunitha – VII std
5. A.Amutha – VII std
6. F.Lalitha – VIII std
7. A.Ishwarya – VII std
8. S.Barani – VII std
9. S.Saranya – VIII std
10. A.Devi – VIII std

Taught them how to use Physics Equipments

and its usage. The school student were very happy to learn about internet and its uses.

On 09.01.2021 Outreach programme was conducted by PHYSICS department and it was carried out with the help of final years accompanied by Ms.Latha and Ms.Chandhiral Asst. prof of PHYSICS. The objective of this event was to create better understanding about physics to the students from **Kanji, Unnamalaipalayam,Karapattu..**

The participants are,

1. D.Divyabarathi – VII std
2. P. Oviya – VII std
3. D.Vinitha – VIII std
4. S.Usha – VIII std
5. A.Famitha – XII std
6. S.Ishwarya – XII std
7. J.Deepa – XI std
8. M.Gomathi – X std
9. K.Nathiya – X std

The school students were very happy to learn.

OUTREACH-4

The department of physics conducted outreach programme for school students by Ms.Latha, Ms.kavitha, Ms.Chandhiral. The objective of this events was to create better understanding about Screw gauge, vernier gauge and Microscope to the school students from Alathur,S.K.Pudur and Unnamalaipalayam. Students learnt how to measure on the Screw gauge,Vernier gauge and microscope.

The department of physics conducted outreach programme for school students by Mrs Nathiya ,mrs Mariammal,.The objective of this events was to create better understanding about Screw gauge, vernier calliper and telescope to the students from panaiolaipadi students learn how to measure on the scraw gauge ,vernier calliper ,how to use telescope ,how to focus the object and measure the reading.

The participants are,

- 1.I.GUNA – XI std
- 2.P.BHUVANA – XII std

3..V.JEEVA – XII std

4. S.TAMIZVANI – XI std

5.C.GOMATHI – XII std
